Myrtle Beach Condo Investment Opportunity Offered at Luxurious Towers on the Grove

The stunning new Towers on the Grove Resort in North Myrtle Beach is the newest Myrtle Beach Condo resort investment opportunity offered by The Hoffman Group. Replacing the long-time family favorite Cherry Grove Manor, the all-new

Towers On the Grove will be a luxury oceanfront resort oasis. Myrtle Beach, South Carolina – The Hoffman Group is pleased to announce its newest Myrtle Beach Condo pre-construction investment opportunity. Located on 500 feet of spectacular oceanfront coastline in the popular Cherry Grove section of North Myrtle Beach. Towers on the Grove blends contemporary glass styling with stunning art deco flourishes in two twin towers, bringing an exciting facelift to this area of the Grand Strand. Deluxe amenities planned for the resort include indoor and outdoor pools, a tropical pool deck, a lazy river, a restaurant, lounge, fitness and media rooms.

Phase One is now pre-selling, offering purchasers an exciting array of 11 different floor plans with exceptional pricing points. Designed in efficiency, one, two or three bedroom configurations, the condos offer either oceanfront or boulevard views. The completely appointed units feature private balconies, full kitchens, high-speed Internet access, and a designer furniture package.

About The Hoffman Group

The Hoffman Group is the premier oceanfront resort condo specialist for Myrtle Beach real estate investment opportunities. Oceanfront condominium sales have been the company's exclusive focus since 1984. With billions of dollars in sales, and a force of some thirty oceanfront condominium sales specialists, The Hoffman Group provides assistance to those interested in understanding the market and identifying the best purchase opportunities available in the area.
